Dear Mr. Saibal,

Thanks for your communication and concern.

I visited Bank personally and checked there inward cheque receipt register . Both of my cheque was received by Bank , But they have not mark this entry in their computer system. finally after lots of struggle and involving government bodies in this matter , it is resolved.

Many thanks to all of you and team.

I do confirm that cheque amount has been credited in my account .

Regards,  
Vineet Shrivastava.
